

# T1V Work From Anywhere Bundles

## We've entered a new era of work.

Our WFA solutions bridge the gap between the in-office and remote work experience, so that no matter where you're working, you're an active participant who can contribute / participate / co-create alongside your in-office and remote colleagues.

## All WFA Bundles include ThinkHub MultiSite software and your choice of integrated Video Conferencing.

(Choose from BlueJeans, MS Teams, Skype For Business, Webex, or Zoom.)

## ThinkHub WFA

### ThinkHub appliance only

The full power of ThinkHub, paired with the touchscreen of your choice. Upgrade an existing touchscreen with ThinkHub software, or ask us about volume options for outfitting all of your conference rooms to ensure your remote teams can stay connected.

**starting at \$3,500 MSRP\***

## ThinkHub WFA 24"

### ThinkHub appliance + 24" touchscreen

Run your ThinkHub sessions from your executive office or home office with a 24" touch display. Connect with other office ThinkHubs for real-time, site to site collaboration amongst remote teams. Unlimited remote participants can connect to your ThinkHub via AirConnect.

**starting at \$4,800 MSRP\***

## ThinkHub WFA 55"

### ThinkHub appliance + 55" touchscreen + Logitech Meetup Camera

A truly all-in-one experience for seamless collaboration sessions to support remote teams. The 55" touch display enables you to visualize unlimited shared content and devices, while interacting with the large digital Canvas.

**starting at \$7,500 MSRP\***

*\*All pricing is U.S. only - please inquire for international pricing.*

## Teach + Learn from Anywhere

Ask us how to use these solutions in your distance teaching + learning environments.
